

Greater Hartford Green Team

Saturday, July 17, 2010 9:00 am – 1:00 pm

Beautification and Clean-up of the Traffic Island at the Intersection of Garden/Homestead

(Meet at Garden/Homestead)

Join in to:

-  Restore a neglected greenspace: pull weeds, plant annual and perennial plants, trim hedges mulch flower beds
-  Share lunch with other volunteers
-  Listen to live music as you enjoy the company of people from city and suburbs
-  Build bridges and create relationships

The Greater Hartford Green Team will be meeting the third Saturday of each month from April through October 2010. We will be coordinating beautification projects, planting and sprucing-up various sites throughout the City of Hartford.

This project is funded by: a Green Power Grant from Pratt and Whitney; Greater Hartford Arts Council; and Whole Foods Market. Contact Charmaine @ 951-7694, charmainec@knoxparks.org to reserve your place and your lunch.
